Monica:

I realize that the most informed folks on this subject (Carl and Dee) are out today but could you work to find info for this briefing on Monday.

Pat is the HQ lead and he is trying to get info from us and Chris to cobble together for the meeting.

Thanks

See below I am concerned over not having any paper on this, topic is oil and gas as far as I can tell.

Chris do we a basic current 1 pager we could pull together for sharing with Deb and Joe?

Callie do you all have any recent background TP's on the Utes's?

I can marry them together and have something for the wigs as needed, if you can send to me .

Thanks

Pat

Yes, Rollie, I am holding both the two times as follows:

10:15 – 11:00 am and 2:30 – 3:15 pm

And 10:15 seems to be most ideal as most of the staff are going to be able to participate.

Thank you, Cynthia

Okay - I'll check. Is Monday morning still a possibility? 1015 to 11am?

Hi Rollie, Thank you for indicating some more times that you can be available, however, Joe is going to be travelling on the 23rd and 24th and 25th his calendar is blocked for a Hill Briefing starting 3:00 pm thru the end of the day. I will appreciate it if you can make the 22nd at 2:30 pm work, because at this time, both Joe and Debbie and other staff from OAQPS will be able to participate.

Thank you, Cynthia

Hi Cynthia,

Sorry looking at some other times that would be a little better. How about:

- 5pm on Wednesday the 24th?

- 430pm on Thursday the 25th?

Thanks,

Rollie Wilson

Hi Cynthia,

I don't think that will work. Could we try Friday the 26th at 1130am?

Thanks,

Hi Rollie,

Joseph Goffman and Deborah Jordan of Office of Air and Radiation (OAR) are happy to take and host the meeting on Monday, Feb 22nd. The best time on both calendars for Joe and Debbie is 10:15 – 11:00 am. Is that time good for you and your group? I would appreciate receiving a confirmation so I can set it up and send you necessary information on location, etc.

Thank you, Cynthia Browne

Rollie,

Thanks for your email regarding the Ute Indian Tribe visit to DC next week. As you know, the Office of Air and Radiation is the lead office on the proposed FIP for the regulation of oil and gas minor sources on the Unitah and Ouray Reservation, so I will defer to OAR on this meeting request. The Office of International and Tribal Affairs would be happy to join this meeting or if that is not convenient, meet separately with the Ute Tribe.

Best regards,

Jane

Subject: Ute Meeting Request

Hi Janet and Jane,

The Ute Indian Tribe will be in DC during the week of February 21st and would appreciate the opportunity to meet with you to discuss the proposed Federal Implementation Plan for the regulation of oil and gas minor sources on the Uintah and Ouray Reservation. That's kind of a mouthful, I believe what we are talking about is the proposed FIP for the Reservation.

Do you have any time available on the morning of Monday the 22nd or Friday the 26th between 11am and 4pm? If not we could look to other times during the week.

Thanks for your consideration,

Rollie Wilson
